ON PETITION

In re Patent No. 6,625,454
Issued: September 23, 2003
Application No. 09/633,121
Filed: August 4, 2000
Attorney Docket No: WV00032

This is in response to the paper filed April 13, 2006 under 37 CFR 1.27(g)(2) requesting that status as a Small Entity be removed.

In accordance with the April 13, 2006 request, the request is **GRANTED** and status as a Small Entity has been removed.

Receipt is also acknowledged of the revocation and power of attorney signed by assignee. However, a review of the power of attorney discloses that it is unacceptable since it is not in compliance with 37 CFR 3.73(b) in that the putative assignee has not established its right to take action in accordance with 37 CFR 3.73(b). Specifically, petitioners have not provided documentary evidence of a chain of title from the original owner to the assignee, nor shown that documentary evidence of a chain of title from the original owner to the assignee is recorded in the assignment records of the Office (i.e. reel and frame number). Upon completion and submission of a Certificate Under 37 CFR 3.73(b) form, the power of attorney will be acceptable.

Inquiries related to this communication should be directed to the Office of Petitions Staff at (571) 272-3282.
